PROSPERITY
NETWORK

WE ARE EXCITED TO ANNOUNCE OUR PARTNERSHIP WITH TOGETHER MONEY!

Together Money is a financial institution specialising in commercial mortgages, bridging loans, auction finance and a lot more.

Many of our community already use Together. We have built a strong relationship with them firstly as a developer and now for our community, and we look forward to developing this further into the future.

You (and your brokers) will be **VERY** unlikely to achieve the same deals we have been offered.

We also have a Prosperity Network link where you can get an INSTANT pre-approval document from Together Money that can be used to prove your ability to proceed with Agents, Vendors and Auctioneers.
