

# QUALIFYING YOUR NEW BUILDER OR TRADESMEN

How to identify one & what steps to take :

- Credit check them
- Make sure they have a landline on the van or letterheads.
- Ask for references and check them out
- Keep an eye out on progress throughout a job
- Speak to the client once they have finished

*"Every builder thinks they are the best"*

## **TO PROJECT MANAGE OR NOT TO PROJECT MANAGE**

- **Depends on the size of the project and your understanding (Learn fast)**
- **Many builders will say they have it in house but you then lose control**
